

Get References from CSA Illumina Databases in GALILEO®

CSA (Cambridge Scientific Abstracts) Illumina supplies many of the GALILEO® databases. Their search screens look similar to the ones shown here.

*A list of CSA Illumina databases follows these instructions.

Conduct your search in the CSA database of your choice.

Mark the items you want. Click *Update Marked List* at top of page for each page on which you mark citations.

When done, click the *RefWorks* link.

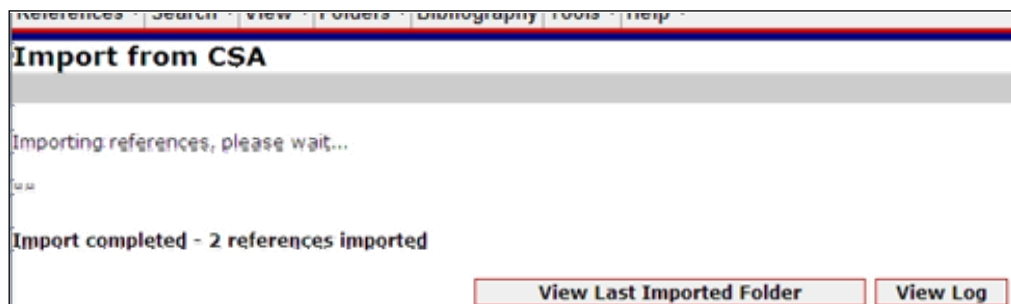

Select *Marked Records* radio button. Click *Export to RefWorks*.

When prompted, login to your RefWorks account.

The CSA database exports your citations directly into the *Last Imported* folder in RefWorks. Click *View Last Imported Folder* to **move them** into another folder.

References in *Last Imported* will be copied to *References Not in a Folder* the next time you import. Move them to other folders.
