

Get References from Hispanic American Periodicals Index in GALILEO®

Hispanic American Periodicals Index (HAPI) is one GALILEO® database.

Conduct your search in HAPI.

To mark the items you want, check the box under each citation. When done marking for one page, click the button *Add to Marked List*. next to any check box. All checked items will be placed in the *Marked List*.

When done selecting, click the *View Marked List* link.

On the *Marked List* page, click the *Download Records* link.

On the *Download the Marked List* page, click the link, *Export to RefWorks* link.

When prompted, login to your RefWorks account.

The HAPI database exports your citations directly into the *Last Imported* folder in RefWorks. Click *View Last Imported Folder* to **move them** into another folder.

References in *Last Imported* will be copied to *References Not in a Folder* the next time you import. Move them to other folders.
