

Get References from Project MUSE® in GALILEO®

Project MUSE® is one GALILEO® database.

Conduct your search in Project MUSE®.

Mark the items you want on each screen. Before moving to next screen, click *Save Marked Results* button.

When done, click the *Email/Export Saved Results* button at top of page.

On the *Saved Results* page, select the *RefWorks* radion button.

When prompted, login to your RefWorks account.

Project MUSE® exports your citations directly into the *Last Imported* folder in RefWorks. Click *View Last Imported Folder* to **move them** into another folder.

References in *Last Imported* will be copied to *References Not in a Folder* the next time you import. Move them to other folders.
