

## Get References from ProQuest Databases in GALILEO®

ProQuest supplies many of the GALILEO® databases. Their search screens look similar to the ones shown here.

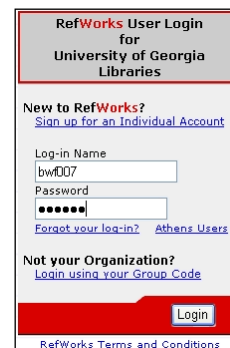

\*A list of ProQuest follows these instructions.

Conduct your search in the ProQuest database of your choice.

Mark the items you want. When done, click the *Export* link.

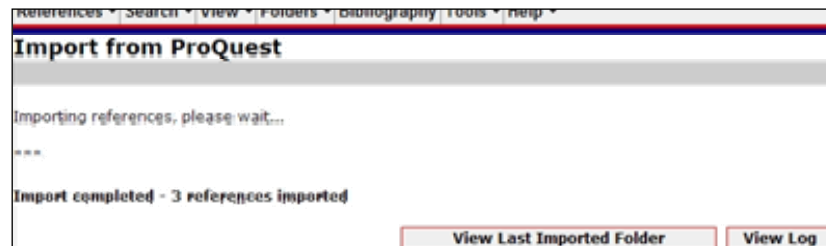

On the *Export Citations* page, click the link for *Export directly to RefWorks*.

When prompted, login to your RefWorks account.

The ProQuest database exports your citations directly into the *Last Imported* folder in RefWorks. Click *View Last Imported Folder* to **move them** into another folder.

**References in *Last Imported* will be copied to *References Not in a Folder* the next time you import. Move them to other folders.**
