SUBJECT: Report of the Continuing Appointment Committee

The Elected Committee to Investigate Continuing Appointment Models for Librarians and Archivists respectfully submits its final report and model for continuing appointment. The Libraries' faculty has voted to accept the spirit of the model. In addition, the Law Library faculty is unanimously in support of the document.

Since this affects both the UGA Libraries Faculty and the Law School's faculty librarians, the Committee has submitted the report to both of you. After your reflection and discussion, we ask that you decide the best method for introducing this proposal to upper administration for their consideration.

Please keep the UGA Libraries and the Law Library Faculty informed about your thoughts and progress.

If there is additional assistance that you need in preparing a document to forward, creating supplemental materials, or in any way assisting with putting this request on the table, the UGA Libraries Faculty Advisory Board has indicated that it is happy to assist in any way necessary.
